

— MEMBERSHIP APPLICATION —

NYSWMA is New York States' leading Professional Wildlife organization. NYSWMA is a valuable resource for both current and future nuisance wildlife control operators. Becoming a member of "Your" organization has many benefits to both you and the industry.

- Representation in Albany: NYSWMA has worked with a leading lobbyist, making sure your concerns are heard by our state representatives.
- Website: The NYSWMA maintains a website which allows members free advertising of their services and links to other sites associated with nuisance wildlife management.
- Networking: Becoming a member will provide you with excellent opportunity to interact with professionals that share the same interests as you.
- Seminars: Members have the opportunity to attend the NYSWMA seminar. The seminar is a vital source to anyone who is interested in the field of wildlife management. Professionals from around the country cover topics from wildlife biology to starting a business.
- News Letter: The newsletter is your source for; information on the organization, current issues, legislative updates, and interesting and instructional articles.

Please take this opportunity to join us so we can start helping you!

— POSTER PRESENTATIONS —

This year the seminar will feature poster presentation in addition to the lectures. The posters will highlight the latest research in the field of Wildlife Damage Management and Biology.

**— AN INVITATION TO —
EXHIBIT AND SPONSOR**

Exhibiting or sponsoring an event will greatly increase your exposure to our attendees, each sponsor will be announced at the beginning of each event and your logo will be displayed in the refreshment/reception area. This year we will have a vendor's room where you can setup a booth to present your products to the attendees during breaks, lunch and receptions.

If vendor wants to attend lectures, or lunch they must pay for attendee registration. **Any sponsorship includes a free vendor table and one free attendee registration.**
